DICKERSON BEAT PARMENTER

JUDGE DICKERSON GETS REPUBLICAN NOMINATION FOR THE SENATE.

CONGRESSMAN RENOMINATED

All the Present Incumbents in Congress Have Apparently Been Renominated.

OKLAHOMA CITY, Aug. 7.—While later returns make no change in the apparent landslide in favor of Senator Robert L. Owen, yet forecasts generally were upset. "Alfalfa Bill" Murray of Tahomingo still leads in the democratic race for congressman at large, but William Franklin has gathered unexpected strength and with Thompson, Echols and Claude Weaver is running close. The race for the other two positions lies between the five, with the advantage apparently in favor of Thompson and Franklin, although nothing is sure yet.

Judge J. T. Dickerson has been gaining rapidly on B. M. Parmenter in the republican race for United States senator and present indications are that he has been nominated. Returns on republican congressmen at large are so meager that no guess can be made.

All of the five gentlemen who now represent Oklahoma in congress will run again, according to all indications. Although the race between Judge Maxey of Muskogee and Chief Justice Turner of the supreme court for the nomination as justice is extremely close, Turner is leading with indications pointing to his renomination. B. J. Wagner of Guthrie seems to be in the lead for the democratic nomination for congress in the First district although his opponents do not concede his nomination.

MEDFORD.—Twenty-six precincts out of forty in Grant county give Owen 412, Haskell 217; republicans, Parmenter 132, Dickerson 130, Jones 80, Perry 104. For congressman at large Franklin 84, Goulding 150, Murray 211, Thompson 183; republicans, Allen 233, Brownlee 267, Dutton 139; congressman, First district—Brazell 267, Davis 125, Waugh 55, Frank Davis 91; republicans, Hickman 164, McGuire 366.

WILBURTON.—Complete returns town of Wilburton give Owen 765, Haskell 215; republicans, Dickerson 63, Jones 105, Parmenter 31, Perry 61. Congressman at large—Murray, Harlan and Branson leading. Congressman, Fourth district—Carter 632, Parsons 52, Stanley 105; republicans, Bassett 75, Wright 105.

CHICKASHA.—With seventeen precincts in Grady county yet to hear from, Haskell receives 788, Owen 1832; in the congressional race at large the high men are Thompson 719, Weaver 715, Pruitt 541, Murray 428, Fields 349. Dr. A. S. Riddle and T. L. Brown received democratic nominations for the legislature, Riddle defeating "Battlerose" Glover, who has been a member of the last two legislatures. The republicans did not poll a hundred votes in the county.

WAGONER.—Haskell has carried Wagoner county by 159; Owen carried the city by about 50. Branson, Murray and Thompson are leading for congressman at large. James Davenport carried the county by a good majority for congressman from the third district. The returns are very slow coming in, and exact figures cannot be given.

ARAPAHOE.—Meager returns in Custer indicate Owen carried the county by a large majority. Thirteen boxes out of 44 give Haskell 142, Owen 288. Branson, Echols and Thompson are leading in race for congressman at large. In contest for state senator, Austin has 254, Williams 182. Daily is leading in the race for the legislature.

SULPHUR.—Twelve out of 24 precincts in Murray county give Haskell 119, Owen 558. For congressman at large, Branson 84, Echols 91, Franklin 225, Murray 205, Ross 181, Thompson 203, Weaver 205. Charles Carter, congressman from the Fourth district is carrying the county 10 to 1.

WESTVILLE.—Eighteen precincts out of 20 indicate that Owen has carried Adair county 3 to 1. Branson, Murray and Robertson are leading for congressman at large, of democrats, and Allen, J. L. Brown and Brownlee, republicans, Davenport, democrat, leads in race for renomination to congress from the Third district; Daniel republican, Maxey is ahead of Chief Justice Turner for nomination as justice supreme court.

TISHOMINGO.—Twenty-four precincts out of 25 in Johnston county give Haskell 364, Owen 1,222. Con-

"AMERICAN WOMAN HAS NO CONSCIENCE"

Edmund Trowbridge Dana, grandson of Longfellow, and his English bride, are resting at a health home on the South Side in Chicago. The young couple who attracted country wide attention by writing out their own marriage ritual when they were married at Cambridge on the lawn of the old Longfellow estate, have been fasting for a period. Fasting is one of their many fads. Mrs. Dana says she believes that the English women are much healthier and much more athletic than the American women. "They think more," said Mrs. Dana. "The average American woman is superficial. She has no conscience. That is, she has only a conventional conscience."

WILSON UNFOLDS POLITICAL IDEAS

IS OFFICIALLY NOTIFIED OF HIS NOMINATION FOR THE PRESIDENCY.

CEREMONIES WERE UNIQUE

Thousands Gathered at the Governor's Home to Witness the Formal Notification.

SEAGIRT, N. J., Aug. 7.—Slowly and with measured emphasis, Governor Woodrow Wilson today unfolded the fabric of his political beliefs in a speech formally accepting the democratic nomination to the presidency. Establishing first what he termed his "faith," he invoked "the rule of right and justice" to politics, proceeding in succession to show its application to the tariff, the anti-trust question, the restoration of the merchant marine, the development of waterways, the conservation of natural resources, banking reforms and other issues.

It was a motley throng that gathered at the summer capital of New Jersey. Officially there was a notification committee of 52, representing every state and territory, and with them came eight of the democratic governors. Spread over the green that stretches away from the governor's cottage to the ocean, however, was a mixed gathering of several thousand. College professors and instructors there were from Princeton and elsewhere; clergymen, marching clubs with brass bands, summer folk from seaside points, women and children, automobile loads of the curious from New York, Philadelphia and intermediate towns and hamlets, and the usual stream of vendors.

A string of autos fringed the crowd, which closed in tightly on the spacious lawn of the governor's cottage. On the veranda was grouped the notification committee. Senator-elect Ollie James of Kentucky officially informed Governor Wilson of the action of the Baltimore convention, in a speech that was frequently interrupted by applause. On the left of Mr. James was Governor Marshall, the vice presidential nominee, and on his right Governor Wilson. Governors Dix of New York, Foss of Massachusetts, Baldwin of Connecticut, Donaghey of Arkansas, Plaisted of Maine, O'Neal of Alabama and Mann of Virginia sat near him.

With solemn attention the crowd listened to Governor Wilson's speech. Though frequently a satirical remark brought laughter, Governor Wilson's expression of his political doctrine was received with marked attention. The governor plainly felt ill at ease at the beginning of his speech. He would have liked to discard the printed manuscript from which he read

PLATFORM OF PROGRESSIVES

PLEDGES PARTY TO CORRECT EVERY GRIEVANCE KNOWN TO MAN OR BEAST.

FOR JUDICIAL PLATFORM

WILL MAKE AMENDMENTS TO FEDERAL CONSTITUTION THE EASIEST THING OUT.

SAVE COUNTY FOR PEOPLE

The Party Pledge, Favor or Condemn on Every Topic Brought to Mind During the Convention.

CHICAGO, Aug. 7.—The platform of the progressive party as adopted at the convention which adjourned at 7:21 tonight, is briefly summarized as follows:

Preamble. "The conscience of the people in a time of grave national problems has called into being a new party, born of the nation's awakened sense of justice."

"We of the progressive party dedicate ourselves to the fulfillment of the duty laid upon us by our fathers to maintain that government of the people, by the people and for the people, whose foundation they laid. We hold with Thomas Jefferson and Abraham Lincoln that the people are the masters of their constitution to fulfill its purposes and to safeguard it from those who by perversion of its intent would convert it into an instrument of injustice."

"This country belongs to the people who inhabit it. It is to set the public welfare in the first place." The platform further declares "that the old parties have become the tools of corrupt interests which use them impartially to serve their selfish purposes," an ethical that the "new party offers itself as the instrument of the people to sweep away old abuses to build up a new and nobler commonwealth."

Declares under the heading, "The Rule of the People," for direct primaries for the nomination of state and national officers and candidates for the presidency; for the popular election of United States senators and urges on the states the use of "the short ballot, with responsibility to the people, secured by the initiative, referendum and recall."

Pledges the party to provide a more "easy and expeditious method of amending the constitution." Advocates national jurisdiction of problems which have expanded beyond the reach of individual states.

Pledges the party to secure equal suffrage.

Pledges the party to the enactment of legislation limiting campaign contributions and expenditures and providing for publicity thereof.

Opposes participation by federal appointees in state or national conventions.

Demands "such restrictions of the power of the courts as shall leave to the people the ultimate authority to determine fundamental questions of social welfare and public policy."

Pledges judicial reform, believing "that the issuance of injunctions in labor disputes should be prohibited where no labor dispute existed."

Declares against child labor and for a minimum wage for women, for the prevention of industrial accidents, safeguards for the health of employees, publicity as to wages, eight hour work day and the establishment of a federal department of labor.

Urges re-establishment of country life commission and the promotion of the welfare of farmers.

Pledges the party to a full and immediate inquiry and to immediate action to deal with the high cost of living.

Favors a single national health service.

Demands national regulation of interstate corporations and urges "the establishment of a federal commission to supervise interstate industrial corporations," and favoring strengthening the Sherman law to insure competition in business and to prevent unfair trade practices.

Pledges the party to the enactment of a patent law that will prevent monopolies.

Favors legislation giving the interstate commerce commission power to value the physical property of railroads and demands the abolition of the commerce court.

Condemns the method of issuing currency through private agencies and urges control thereof by the government alone. Opposes the Aldrich currency bill.

Favors government co-operation with manufacturers and producers in extending foreign commerce.

Declares for prompt development of all natural resources, condemning exploitation, waste and monopolization.

RESIGNS HER OFFICE TO DEFEND BANDIT

Best Touches High Mark.

CHICAGO, Aug. 7.—The highest price paid in Chicago for beef since the civil war was paid today, when 18 head of cattle from Kansas and Illinois sold for \$19.25 a hundred. Buyers say the higher prices are due to a scarcity of cattle, caused mainly by the drought in the southwest and in Western Canada in the last few years and the severe winter of 1911.

INDIAN AGENTS MAY LOSE OUT

THE CONFERENCE COMMITTEE STRIKES APPROPRIATION FOR MAINTENANCE.

SIXTEEN AGENTS AFFECTED

Appropriation of \$100,000 for Salaries and Expenses Cut Out of Indian Expense Bill.

WASHINGTON, Aug. 7.—(Special)—The conference committee of the house and senate, which has under consideration the Indian appropriation bill, today agreed to strike out the senate amendment making an appropriation of the \$100,000 for the payment of salaries and expenses of the United States District Indian agents in Oklahoma. If the house and senate accept this agreement it will mean the discontinuance of sixteen Indian agents and their assistants among the five civilized tribes.

DAVENPORT WINNER IN THIRD DISTRICT

STATES HE HAS CARRIED ALL BUT TWO COUNTIES, TULSA AND NOWATA.

At 1 o'clock this morning Congressman James Davenport stated to the World over the long distance telephone that he had heard from all but two counties in the Third Congressional district and that he had carried the democratic primaries in all but Tulsa and Nowata counties by pluralities ranging from 600 to 800 votes. Thraves carried Nowata county by a plurality of 199 while Sykes carried Tulsa county by less than 50 plurality, two small precincts yet to be heard from.

Congressman Davenport stated that he was just taking the train for Washington and asked the World for the courtesy of extending his thanks to his democratic supporters throughout the district for the vote they had extended him in the primaries.

Being informed of the special to the World from Washington to the effect that the house and senate conference committee had recommended the elimination of the hundred thousand dollar appropriation for the Indian agents in Oklahoma he stated that he was in sympathy with the action of the committee and would urge the adoption of the report when he reached the national capital.

"We stand by the platform," he said. "We stand by Colonel Roosevelt's letter; we stand by his speech. And as we stood by him at San Juan Hill, so will we stand by you in November and fight for victory."

Miss Jane Addams of Hull House, Chicago, was among those who seconded Colonel Roosevelt and she was most enthusiastically greeted. The new party formally placed itself on record as favoring equal suffrage and further recognized the suffragette movement by providing for four women members at large on the national committee.

Colonel Roosevelt in his speech of acceptance said in part:

"Mr. Chairman and men and women who in this convention represent the high and honest purpose of the people of all of our country, I come forward to thank you from my heart for the honor you have conferred upon me, and to say that of course I accept it. I have been president and I measure my words when I say I have seen and known much of life, I held it by far the greater honor and the greatest opportunity that has ever

ROOSEVELT AND JOHNSON TICKET

FIRST NATIONAL CONVENTION OF "BULL MOOSES" COMES TO AN END.

BOTH ACCEPTED PLACES

CLOSING HOURS OF THE CONVENTION MARKED BY FLOW OF ORATORY.

PARTY FORMALLY NAMED

The "Progressive" Party Without the "National" Is to Be Name of Teddy's Organization.

CHICAGO, Aug. 7.—Singing "Onward Christian Soldiers" and the "Hallelujah Chorus of the Republic," the delegates to the first national convention of the new progressive party tonight acclaimed Colonel Theodore Roosevelt of New York as their candidate for president and Governor Hiram W. Johnson of California as their choice for vice president.

Marking a new departure in the proceedings of national conventions, the two candidates were immediately informally notified of their nomination, and in the midst of deafening cheers, appeared before the delegates to voice their acceptance, and to pledge their best efforts to the coming campaign.

For several hours during the afternoon and early evening the big throng in the Coliseum had listened to a flow of oratory in nominating and endorsing speeches, in which the dominant note expressed the belief that victory would come to the new party in November elections. Raymond Robbins of Illinois pledged a 100,000 majority for the national ticket in Illinois and Gifford Pinchot predicted a 300,000 majority for Roosevelt and Johnson in his home state of Pennsylvania. Their statements were cheered to the echo.

The party formally christened itself "The Progressive Party" leaving out the prefix "national," by which it has heretofore been known, but provision was made for the recognition of "real" progressives in any of the states by whatever name they should be locally designated because of state laws.

The convention adjourned at 7:24 p. m., with the delegates singing the Doxology in a lusty voice. During the three days' session there was not a single roll call nor a ballot taken. The delegates asked no such formalities, either in placing their candidates in nomination or in voting for them. There was not a voice of opposition to either Colonel Roosevelt or Governor Johnson. The delay in nominating them was due to the large number of seconding speeches allowed.

As had always been the case in national political conventions, the bulk of the work of the progressive gathering was carried on in the committees. The only semblance of a conflict of opinion on the floor was a brief debate today as to whether an hour's recess should be taken. The point was not material but as one delegate expressed it, "We just had to fight about something to make it a regular convention."

There was sharp discussion, however, in several committee meetings and no little difficulty in agreeing upon the platform. Colonel Roosevelt worked with the sub-committee in charge of the platform until late this afternoon, going over its work and vigorously helping to mould the draft which at last proved acceptable to him.

The platform did not take up the negro question. In this connection one of the interesting seconding speeches of the day was that of F. R. Glead of New York, a negro. Glead declared negroes had faith in the new party; faith that it would do all in its power to right the wrongs of the race.

"We stand by the platform," he said. "We stand by Colonel Roosevelt's letter; we stand by his speech. And as we stood by him at San Juan Hill, so will we stand by you in November and fight for victory."

Miss Jane Addams of Hull House, Chicago, was among those who seconded Colonel Roosevelt and she was most enthusiastically greeted. PROBABLE NOMINEE FOR CONGRESS

JAMES DENNIS FLYNN

On the face of the returns the Sapulpa editor is republican nominee for congress from the Third district of Oklahoma, and stands an excellent chance of being elected.

No Knowledge of McInnis.

MEXICO CITY, Aug. 7.—Knowledge of any conference between General Pascual Orozco and Rafael Hernandez, minister of fomento was denied here tonight. Hernandez announced his reason for making a trip north was to inspect the irrigation work along the Colorado river. He expects to visit the northern part of Lower California and Sonora. Accompanying him is Ignacio Marroquin Y. Rivera, a government civil engineer.

FLYNN WINS IN THIRD DISTRICT

SAPULPA EDITOR GETS THE REPUBLICAN NOMINATION FOR CONGRESS.

PLURALITY OF 2,000

His Home County, Creek, Gave Him a Majority of 1,000 Over All Other Candidates.

With complete returns from only two counties in the district at midnight it was indicated that James Dennis Flynn, the fighting editor of the Sapulpa Light, had won the republican congressional nomination for the Third district, by a good safe plurality. The two counties that had completed the count were Tulsa and Muskogee. In Tulsa county, two precincts missing, the vote was: Flynn 122; Denton 109; Dixon 41; Daniel 216. In Muskogee, with two precincts also to hear from the vote stood: Flynn 112; Denton 263; Dixon 42; Daniel 189.

The election board in Creek county, counting at five o'clock yesterday afternoon, and at that time the vote stood: Flynn 1260; Denton 42; Dixon 12; Daniel 112. Flynn claimed the following pluralities in Creek county 98; Washington county 109; Rogers county 140; Nowata county 148. Okmulgee county he had 3 to 1 over all other candidates. He was breaking about even with Daniel in Cherokee county and conceded that Daniel would have a slight lead in Tulsa, but that he would carry every other county in the district except Muskogee, and have a plurality of between fifteen hundred and two thousand in the district, and possibly a small majority over all candidates.

Owing to the contest of local offices in Creek county, practically the full republican vote was gotten out, while in every other county in the district only a small per cent of the republican vote was cast. According to the returns given out by Flynn Denton carried only one county in the district, Daniel carried three and possibly one other. Flynn carried every other county in the district.

OWEN'S TULSA MAJORITY 1,000

RETURNS FROM 38 OUT OF 40 PRECINCTS RECEIVED YESTERDAY.

SHERIFF IS IN DOUBT

WALKLY AND RICHARDSON RUN CLOSE ON THE DEMOCRATIC TICKET.

SYKES CARRIED COUNTY

Daniel Got Less Than 200 Majority in Race for Congress in His Own County.

With the returns from 38 out of 40 precincts in the county canvassed and tabulated by the county election board, the results in Tuesday's primaries in Tulsa county were ascertained last night for the first time with any degree of certainty. The two precincts still unreported are the two precincts at Skiatook. No word from there had been received by the county election board up to midnight.

With these two precincts still out, the only race still undecided is that for the democratic nomination for sheriff. The returns from the 38 precincts give Walkly 1,092 and Richardson 988, but the majority for Walkly may be overturned by the votes in Skiatook, as this is regarded as a Richardson stronghold.

United States Senator Owen carried the county over former Governor Haskell by 1,000 majority. The 38 precincts reported give Owen a majority of 911.

The results of the republican primary are as follows: County judges—Severson 329, Roberttalle 302; register of deeds—Rhyne 236, Eaton 403; county assessor—Martin 139, Ingo 385; state committee—Delchman 295, McKeever 268; United States senator—Perry 205, Parmenter 109, Jones 109, Dickerson 204; state representative—(two nominated) Oliphant 336, Moore 275, Cleveland 374; congress, third district—Flynn 132, Dixon 41, Denton 109, Daniel 216; congressman at large—Reinhart 86, Maxwell 131, Hackett 81, Dutton 63, Cromwell 88, Corley 53, Coleman 117, Chappell 118, Steve Brown 72, J. L. Brown 141, Brownlee 210, Allan 311. All other candidates on the republican ticket were nominated without opposition.

The results on the democratic ticket were as follows: Congressman at large—Echols 136, Eggerman 125, Fields 403, Franklin 160, Gilmer 38, Goulding 111, Harley 131, Hayes 208, Ivey 34, Jones 80, Murray 97, Nishlack 250, Pruitt 205, Cummins 167, Carpenter 91, Callahan 229, Campbell 225, Brown 135, Branson 501, Reuland 91, Bowman 177, Robertson 194, Ross 514, Weaver 222, Thompson 323, Adler 183, Adderton 190, Adams 419; United States senator—Owen 1,801, Haskell 899; congressman, Third district—Williams 212, Sykes 997, Husec 99, Davenport 921.

Justice of the Peace, Tulsa—(Two to be nominated) Black 593, Reardon 102, Norvell 184, Elliott 32, Maxey 147, Daniels 394, Clark 368.

The socialist ticket, both county and state, were nominated by conventions and only enough socialist votes were cast to insure the ticket a place on the ballot in November.

No effort was made by the election officials to count the vote on township officers last night and it may be several days before this vote is counted.

Judge Killed on Bench. CONSTANTINOPLE, Aug. 7.—A dispatch from Petch (also known as Peki), about 25 miles to the northeast of Skutari, says the judge of the civil court there was assassinated while sitting on the bench today.
